

Service

Email services

-Undergraduate students (Gmail)

Your new email address will be provided during the orientation for new students.

-Staff, graduate students & others (Gmail)

You may apply for an email address through any campus LAN computer.

※Please change your initial password for email account immediately after getting it.

※If you have forgotten password for email, please come to front desk at MMC with your staff or student ID card. After verifying your ID, we will reset your password. The new password will be effective from the next business day. We do not accept reset requests over phone or via email.

Usage limits

Storage quota of Google Workspace (Gmail, Google drive, etc.)

- Undergraduate students : 25GB
- Staff and graduate students : 50GB

Data stored on Google drive can only be shared with users within the University.

! "Multi-factor authentication" is required for signing into Gmail from 'off-campus'.

Top page of MMC website →
"Multi-factor authentication" button on the right side of the page

Campus LAN

To connect your computers to the campus LAN, you need to fill out network connection request form for each device.

! It is required to install antivirus software on any PC that connect to the campus LAN.

Antivirus software

MMC provides antivirus software for computers that connect or may connect to the campus LAN. It can be installed on computers owned by individuals.

Microsoft Office 365 license

Office 365 A3 licenses, which includes office desktop apps, are granted to Students and staff who work at the University. Office 365 A1 licenses, which includes web-based office apps, are granted to staff who only work at the hospital. You can use 1TB (A3) or 100GB (A1) of OneDrive storage.

Seminars

MMC periodically hosts educational seminars on software usage, cybersecurity, and related topics. The seminar schedule will be announced on the MMC website and by email.

VPN Service(FortiClient VPN)

When you access Web class, online journal etc. from off-campus, VPN client and CA certificate are required. (To set up the FortiClient VPN, the multi-factor authentication is required.)

Lending service (Staff and graduate students only)

You may borrow MMC computers and projectors if you make a reservation from the MMC homepage.

Rules

The following acts are strictly prohibited in the MMC:

- Smoking (No smoking on the campus.)
- Bringing food and drinks
- ※You may bring only drinks in bottle with closable cap. (Please keep the cap closed except when drinking.)
- Use of cell phones
- Chatting in a loud voice
- Installing software onto MMC computers

※Please use the campus network in accordance with the University's "Information Security Policy", "Internal Regulations on Information Network", and "Internal Regulations on Posting Information on Websites"

Users who do not adhere to the rules will face strict measures such as:

- Prohibition of MMC usage
- Prohibition of accessing the campus LAN
- Suspending email account

Other (User support, contact)

※If you have any questions about using the campus LAN, please come to the MMC counter.
